

Dear Apartment Association Member:

Thank you for your interest in our eLearning program, the Apartment Management Learning Center. Below please find more details on our training offerings:

- **Delivery via High Speed Internet Connection** - Grace Hill is proud to offer high-quality, interactive property management training that is available anytime, and anyplace you have high-speed access to the Internet. There is no software to install or CD to load -- accessing training is as easy as logging on to the 'Net.
- **Built-In Tracking** - In addition to our courses, we also provide comprehensive tracking of this training. Supervisors can access the "Executive Reports" area of our website at any time to view real-time data on their employees' activity and performance such as student's start and finish dates, pre- and post-test scores, and even which questions they answered incorrectly. These reports indicate that our clients are achieving an average 51% increase in knowledge from their pre-test to final Knowledge Challenge. Impressive!
- **Workbooks & Completion Certificates for Every Course** - All courses include a downloadable workbook so students have an easy-to-use job aid in hand long after the online training is complete. Additionally, each student who achieves a 70% or greater score on the final "Knowledge Challenge" will receive a course completion certificate. Students who achieve a perfect 100% score will receive a "Mastery" certificate indicating their perfect score. Certificates may be printed and emailed to a supervisor. Course Completion Certificates are useful for tracking training, and especially for demonstrating your commitment to adherence to Fair Housing and employment laws.
- **Affordable Education** – Credit Card or Pay-Per-View purchases are available for \$79 - \$99 per student, per course or test your knowledge with our Quick Quizzes for \$15 per student, per quiz. Our **Unlimited Training Subscription** provides *unlimited* access to our "Essential Courses" package of nearly three dozen titles, plus 6 in Spanish, and new "Essential" releases throughout the year. Additionally, your team members will receive unlimited access to our Quick Quiz series. The Unlimited Training Subscription rate is \$0.20 per unit, per month for portfolios of 1,000 units or more. "Elective" titles are also available. See page 2 for our complete Pricing Schedule.
- **Course Catalog** – Explore our course descriptions on pages 3 - 11. New courses are always under development.
- **CEC Credits** - If you have a designation such as CAM, CAPS or CAMT thru the National Apartment Association, 50% of annual CEC credits may be accumulated from courses accessed thru the online training link on your local Apartment Association's website. You will receive 1 CEC for each hour of online course time. Courses range from 1 – 3 hours in length each.
- **Preview Our Courses** - - See a preview of the courseware by selecting "Online Training" from your association's website, then select "View Demos" within the "Learning Center".

Thanks for taking the time to review our program. We look forward to working with you to strengthen your associates' knowledge and skills. Contact us to coordinate a training program customized for your portfolio today!
